Day 5

Puerto Madryn. Breakfast. In the morning Peninsula de Valdez Tour: We pick up the passengers at 08:00 hs and the trip takes 400 kms ride. Heading towards the north, takes provincial road 1 and 17 kms ahead takes road 2. After traveling for 77 kms we will arrive at Istmo Carlos Ameghino, the gate to the Península Valdés Provincial Reserve. The Interpretative Centre, is located here, an ideal place to receive information about flora, fauna, geography and history of the area. Puerto Pirámide, a tourist village lies 25 kms ahead. From there we will be able to board a ship and start the whale watching adventure. The whale watching adventure last for 01:30 hs. and the navigation agency provides life jacket and general information (not included)

After that we start the return way to Puerto Madryn, to get there about 18/19 hs in the evening. This excursion is whole year available, depending weather situations.

Whales watching season: from June to November.

Day 6

Puerto Madryn – Ushuaia. Breakfast. In the morning Punta Tombo Tour: Heading towards the south, after 180 kms, the Punta Tombo Penguin Reserve surprise its visitors for its wonderful landscape full of this animals, which come and go looking for their nests or squabs.

To get there we have to go along National Road 3 to the south, and after Trelew City, will get a crossroad with provincial route 1. This gravel's route finish at the biggest continental reserve of Magallanic Penguins.

Within the reserve, we will walk on the special paths, between thousands of penguins. You should not forget to take photographs of the squabs swimming with their mothers in the ponds that remain when the tide is low. Returning by the same route, we will find Trelew City, after a short city tour we will let you enough time to visit the Pale ontological Museum Egidio Feruglio, optional. Then we get to Gaiman, an old Welsh settlement which still conserves its traditions. Here you can have a huge Welsh tea with different kind of cakes.

After that we start the return way to Puerto Madryn, to get there about 18/19 hs in the evening. This excursion is whole year available, depending weather situations.

Day 8

Ushuaia - El Calafate. Breakfast. Transfer to the airport. Flight to El Calafate. Arrival and transfer to the hotel.

Day 9

El Calafate. Breakfast. In the morning Perito Moreno Glacier Tour: We will drive 80km next to Argentino Lake until we reach Los Glaciares National park. It is incredible how different it is the vegetation next to Andes. We will drive following Brazo Rico (arm of Argentino Lake) till we arrive to the whisper turn, there we will find the amazing Perito Moreno Glacier. We will park in the footbridge area where we will admire the Perito Moreno Glacier and witness the fall of ice blocks from a close distance.

Every viewpoint offers a new perspective. From the entrance of the footbridge area, there is a distance of 400 meters to the lowest balcony, the closest to the front of the glacier. The intermediate balcony is the best place to appreciate the northern area of the glacier with a good sight of the Canal de los Témpanos and towards the left of this viewpoint is the second balcony, right opposite the glacier. Even if the largest glaciers in the Park are the Viedma and the Upsala, the Perito Moreno is a large sized glacier located only 200 meters over sea level, which enables to reach its very front easily, not like the other glaciers, which can only be accessed after trekking or sailing for a while.
