Itinerary:

Day 1

Buenos Aires. Arrival and transfer to the hotel.

Day 2

Buenos Aires. In the morning city tour: The city of Buenos Aires, one of most important of Latin America, is a great cosmopolitan and multifunctional metropolis. With evident universal influence, it causes astonishment in tourists. Its European architecture resembles the streets of Paris and that's why it is known as "the Paris of America". Witnesses of their most important cultural life are their numerous museums, exhibition and conference halls, art galleries, cinemas and theaters with national and international first class shows of. The Colon theatre, one of the most important lyric theaters of the world, is host, among other varied scenes, of an intense musical activity and it is visited frequently by orchestras, groups and soloists from around the world. The typical and famous Tango shines in different neighborhoods as La Boca, El Abasto and San Telmo. Financial, stock-exchange and economic seat of the country, is the main port of the nation. Its commercial activity is very intense, which is reflected in the numerous shops of the most important brands of the world, commercial galleries and shopping malls.

Day 3

Buenos Aires. Day at leisure. We suggest Gaucho Party tour: In this tour we will find the gaucho's county side life and the peaceful and kind town where he lives. That is why the Argentine Pampa is part of our tradition. The asado (barbecue), gaucho's activities and abilities, dances, and folk games are some of the options to enjoy. Pampa is like this, gauchos, fields, traditions, crafts, a tour to learn and enjoy. This full day tour includes lunch.

Day 4

Buenos Aires - Ushuaia. Breakfast. Flight to Ushuaia. Arrival and transfer to the hotel.

Day 5

Ushuaia. Breakfast. In the morning Tierra del Fuego National Park tour: On this Half day trip, we will visit the only National Park of the Island. It is located 12km to the west of Ushuaia City, near the Chilena border. In the National Park, we will watch the local flora made of lengas, cherry tree, ñires, and different species of shrubs and flowers. The fauna comprises local and introduced species such as red wolves, beavers, rabbits and many bird species (more than 90 species). Ensenada Bay, Roca Lake and Lapataia Lake are the touristic places that we will visit. We will also do a short walk along the shore of the lake where we will see beavers and reach Lapataia Bay located at the end of the National Route N 3:3063 km distance from Buenos Aires city. During the tour we will visit the train station of the End of the World Train. It is possible to combine the trip in the train with the tour to the National Park.

Day 6

Ushuaia. Breakfast. Day at leisure. We suggest Lagos Off Road Tour: is our fun and intense to know the secrets hidden behind the southern Andes. It is suitable for all types of travelers and away from the routine of conventional tours. Take a day to relax, explore and have fun on this tour, where off-road experience is serious! Venture, as the naturalist and photographer who find happiness in a landscape. From the mountains, sight the Hidden Lake, a small wonder hidden in the bottom of a valley. Then the giant lake Fagnano, imposing and grand, will be the focus of our day. The fun and enjoyment not ever depend on the weather: aboard a Land Rover Defender will cross the forest and rivers of mud impossible paths, trees and along the edge of a lake with unique views. The company's guidance, food and Argentine Malbec shared with travelers from around the world will be memorable. All these feelings adds a view from our shelter in the Lake Fagnano reserved for only a few. This is an adventure accessible to anyone wanting to have fun and be free of any limits deep into the woods beyond any narrative.

Day 7

Ushuaia - El Calafate. Breakfast. Transfer to the airport. Flight to El Calafate. Arrival and transfer to the hotel.

Day 8

El Calafate. Breakfast. In the morning Perito Moreno Glacier Tour: We will drive 80km next to Argentino Lake until we reach Los Glaciares National park. It is incredible how different it is the vegetation next to Andes. We will drive following Brazo Rico (arm of Argentino Lake) till we arrive to the whisper turn, there we will find the amazing Perito Moreno Glacier. We will park in the footbridge area where we will admire the Perito Moreno Glacier and witness the fall of ice blocks from a close distance.

Every viewpoint offers a new perspective. From the entrance of the footbridge area, there is a distance of 400 meters to the lowest balcony, the closest to the front of the glacier. The intermediate balcony is the best place to appreciate the northern area of the glacier with a good sight of the Canal de los Témpanos and towards the left of this viewpoint is the second balcony, right opposite the glacier. Even if the largest glaciers in the Park are the Viedma and the Upsala, the Perito Moreno is a large sized glacier located only 200 meters over sea level, which enables to reach its very front easily, not like the other glaciers, which can only be accessed after trekking or sailing for a while.

Day 9

El Calafate. Breakfast. Day at leisure. We suggest Express Ice Navigation: The schedule of shipment in the port of Punta Bandera Private (47 kilometers from the city of El Calafate), will be at 08:30 am and the game will be at 09:00 am, after the passengers are informed the safety and seaworthiness. Once on board sail across the North Arm of Lake Argentino to reach the Channel Upsala, where we will find a spectacular Barrier Icebergs. From there we will have a panoramic view of the Upsala Glacier. Then navigate Spegazzini Channel, where we observe the Seco Glacier to reach the front of Spegazzini Glacier, the highest in the National Park. Return to Private Puerto Punta Bandera will be at approximately 04:00 pm, by boat. The tour can be modified depending on weather conditions and safety and the decision of the captain of the boat.

Day 10

El Calafate - Buenos Aires - Scandinavia. Breakfast. Transfer to the airport. Flight to Buenos Aires. Arrival and transfer to the international airport for flight to Scandinavia.
